⁽¹⁾ Graduate units may establish earlier deadlines for completion of course work and may prescribe penalties for late completion of work and for failure to complete work, provided that these penalties are announced at the time the instructor makes known to the class the methods by which student performance shall be evaluated.

⁽²⁾ The precise dates of commencement of courses are determined by the graduate units; students are urged to contact the relevant graduate units for information. SGS maintains the 13-week graduate instruction period; however, if a course does not fall into the traditional 13-week period, the graduate unit will inform students of important dates and deadlines in the course syllabus. The University welcomes and includes students, staff, and faculty from a wide range of cultural, traditional, and spiritual beliefs. As per the [Policy on Scheduling of Classes and Examinations and Other Accommodations for Religious Observances](#), the University will "...arrange reasonable accommodation of the needs of students who observe religious holy days other than those already accommodated by ordinary scheduling and statutory holidays." For more information please refer to: <http://www.vicereprodstudents.utoronto.ca/publicationsandpolicies/guidelines/religiousobservances.htm>. The obligation not to discriminate on the basis of religion is a statutory duty arising from the Ontario Human Rights Code, which carries an obligation to accommodate religious requirements.

Graduate students may only enrol in undergraduate courses with the approval of their supervisor or graduate unit. Students are responsible for meeting the deadlines and requirements of the undergraduate course as presented in class and in the undergraduate division's calendar. Graduate students will be graded under the graduate grading scale. Students should consult the appropriate undergraduate calendar for enrolment and dates.

⁽³⁾ A final thesis is the corrected, approved version of thesis which is submitted to SGS following the Final Oral Examination.

⁽⁴⁾ For fall session registration, we recommend paying fees by **August 31** in order to meet the registration deadline. For winter session registration, we recommend paying fees by **December 18** in order to meet the registration deadline. For summer session registration, we recommend paying fees by **April 30** in order to meet the registration deadline.

⁽⁵⁾ For final dates for completing degree requirements, students should consult their own graduate unit.

⁽⁶⁾ Graduate units may establish earlier deadlines to add/drop courses but these dates must clearly be communicated to students. Please note that the last date to cancel a course or registration with no academic penalty is not the same as the last date to be eligible for a refund.

⁽⁷⁾ These are the dates which have been established for undergraduate students in the Faculty of Arts and Science. Not all Faculties offer Reading Week or a November Pause. To find out if your Faculty offers a Reading Week or November Pause, please contact them directly. SGS does not have a Reading Week or November Pause.

⁽⁸⁾ Students starting their program in the summer and OISE students are required to register by this date by paying the minimum tuition amount stated in their invoice.
